Let's Think About...

Public Facilities

- ❖ What areas in the City are in need of crosswalks?
- ❖ What facilities throughout the City should have better signage? (City parking lots and garages)

Let's Think About...

Sustainability & Resilience

- ❖ The City has a Holiday Tree Recycling Program in December. What other recycling programs should the City implement to be more sustainable year-round? (Textiles, Electronics, Batteries, etc.)
- ❖ Should the City consider additional funding for charging stations?

Let's Think About...

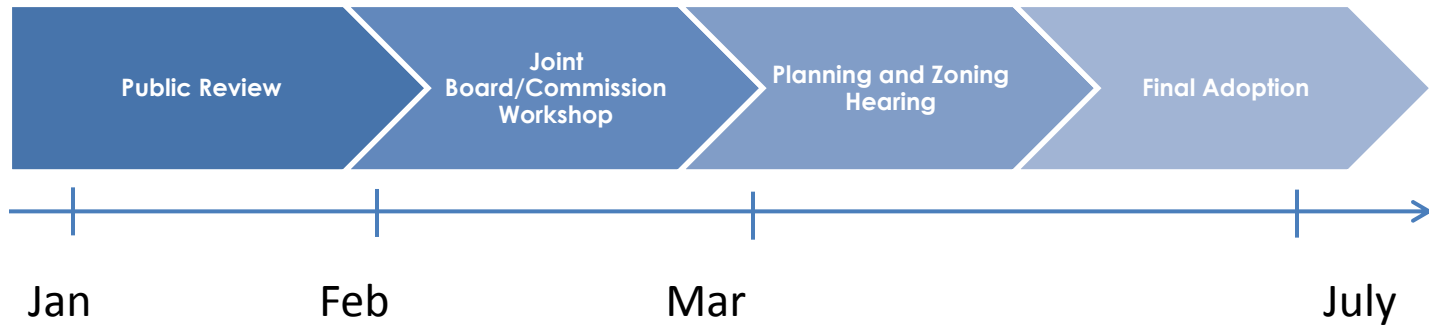

Future Land Use

- ❖ Do you think there is need for more industrial uses?
- ❖ Should we have small mixed-use commercial nodes (e.g. green market store, ice cream shop, café, coffee shop) within or adjacent to residential areas?
- ❖ Should the City require that there be a driveway or walkway that connects residential neighborhoods to adjacent commercial centers?

Schedule

- 🌸 Public Review: January–February 2018
- 🌸 Joint Board/Commission Workshop: February 13, 2018
- 🌸 Planning and Zoning Hearing: March 19, 2018
- 🌸 City Commission Transmittal Hearing May 1, 2018
